Rogue Valley Bassmasters

August 2011

President: Andy McBee
Vice President: Scott Copple

Message from the President

The weekend is upon us so let's beat the heat and head for the coast. I hope to see the whole club at Ten Mile for a fun time fishing. If for some reason you can't make it, I can only hope you're doing outside chores in the 97 degree heat !. The big bass I caught last year at Ten Mile was 7.3 Lbs so he should be over 8 Lbs this year. I wish everyone good luck in trying to catch him/her this weekend ----- especially myself.

Next Meeting

The next club meeting will held on Tuesday, September 6 at 6:30 pm at Bruno's Pizza on Roberts Road in Medford.

Tournament of Champions

The last tournament of the year is on September 24, 25 at Lake Britton, CA. This is the TOC. There will be a second flight for those not qualifying for the TOC.

Tournament Standings

The tournament standings are now posted on the website. I'm sorry it took longer this month. David and I had some email trouble.
